

MILEAGE AWARD HONOR ROLL APPLICATION

The record of BMW Motorcycle Owners of America's High Mileage Honor Roll is kept by volunteer staff person Lyle Grimes, and is the continuation of a program begun by Chip Goleman.

Upon acceptance of your documented application to Mr. Grimes, you will qualify to receive a pin and patch acknowledging this achievement. The current form of the mileage awards program recognizes miles ridden in 100,000-mile increments up to 500,000 lifetime miles (several distinguished members have already surpassed this mark).

In addition to these awards, your name and mileage achieved will be posted in the *BMW Owners NEWS*, in Lyle's column.

BMW of North America, the originator of the mileage award program, also maintains its own separate program. The BMW NA program provides cloisonne medallions acknowledging the achievements of 100,000 through 500,000 lifetime miles, in 100,000-mile increments. Access to this awards program begins with your local dealer.
