■ **Free Classifieds** – Free listings in our Flea Market for members to buy and sell motorcycles, parts, riding gear and accessories. The BMW MOA Flea Market appears each month in the *Owners News* magazine, and is also available to members on the Web!

■ **Rally & Events Calendar** – Looking for a place to ride? Our *When & Where* contains hundreds of BMW specific rallies and events.

■ **BMW Owners Anonymous Book** – This annual book lists thousands of members around the world who are willing to aid and assist in cases of emergency or just converse socially. This resource also contains travel information, local club listings, dealer listings and a directory of BMW related products and services. And best of all, it's the perfect size to fit in your tank bag.

■ **800# Message Board** – A toll-free phone call on the road can keep concerned family and friends updated on your progress or reconnect you with separated riding partners by using our special bulletin board.

■ **Ambassador Program** – Members who have worked tirelessly to communicate the values and aims of the BMW MOA are appointed Ambassadors. They are an excellent source of information regarding BMW MOA's general policy and wholeheartedly accept the responsibility to carry members' concerns to the club's directors.

■ **MAPS – Member Assist Personal Services** – Member Assist Personal Services, or MAPS, offers Emergency Travel Services, Worldwide Travel Assistance and Medical Assistance to members while away from home on vacation, business, a weekend get-a-way,

the ride to the International Rally or a 6-month long tour around the globe. The primary function of the program to aid traveling members is obtaining emergency travel and medical support should they confront problems during travel any time of the day or night. Enrollment is automatic with your paid membership. To use MAPS, simply call 1-877-4MOA-TRVL, provide your membership number, first name and the city you live in.

■ **Mileage Award Program** – The BMW MOA recognizes those members who have accumulated over 100,000 miles on a BMW by announcing their achievement in the *BMW Owners News* and sending them special pins and patches after each 100,000 mile achievement. With enthusiastic members and reliable BMW motorcycles we've added awards to 1,000,000 miles and beyond!

■ **Consumer Hotline** – Our members spend millions buying, maintaining and enjoying their BMW motorcycles. If a member has a problem with a company providing a product or service they can get useful information to resolve the conflict by calling our Consumer Hotline.

■ **Mileage Contest** – Each year the Mileage Contest provides a fun and non-competitive way to enjoy long distance touring. Just sign-up at the beginning of the season, watch your miles accumulate and then fill in the end of the contest form. Soon you'll be able to compare your achievement with the mileage of friends and family.

■ **MedJet Assist Program** – The BMW MOA is proud to announce a partnership with MedJetAssist, the premier worldwide emergency medical evacuation program for travelers. This partnership will provide MedJetAssist's services, which also offer the return of your motorcycle from any destination within North America (North America, Alaska, Canada and Mexico), to the entire BMW MOA membership at a discounted rate. (This benefit is offered at a discounted rate to MOA members and is not included in the basic BMW MOA membership rate).

■ **BMW MOA Web Site** – For up-to-date information and a convenient way to join, renew, change your address or just communicate with the BMW MOA Board of Directors and staff, log onto the BMW MOA home page at www.bmwmoa.org. The Web site is updated with features

and news on a daily basis, and also offers an Online flea market. The BMW MOA Forum is a wonderful place to discuss bikes, trips, share photos, debate politics, or just get to know other members.
