Please note the statement below: I will attend the 2004 BMW MOA rally in Lima, Ohio.

I understand the ERC students will be accepted on a **first-come, first-served** basis and that, therefore, there may not be enough space available for me to take an ERC course. If assigned to a course, I will attend the assigned course, provide my own motorcycle in good and safe condition, and make every reasonable effort to finish the course. **I will wear the required protective gear** at all times on the range, and will follow all directions from my coaches. I understand I must have a **motorcycle-endorsed** driver's license, **proof of motorcycle insurance**, and will be required to sign a **liability waiver** and indemnification form in order to attend the ERC course.

IMPORTANT!!!

Registration requests must be received by the BMW MOA office (at address above) postmarked not later than Monday, June 13, 2005. Registration fees will be refunded to those who cannot be scheduled for a course or whose course is canceled, and to those registrants who notify the BMW MOA office by Monday, June 20, 2005, that they cannot attend their assigned course. AFTER JUNE 21, THERE WILL BE NO REFUNDS.
