A non-refundable deposit of \$15.00 is required to hold your camping space. This will be applied to your total for camping. If you want to park next to someone, the deposits must be mailed together. You will be assigned a space when we receive your deposit. We will either e-mail or snail-mail (if you don't have a computer) your confirmation number. If you don't arrive by 7pm on your specified date of arrival or by Friday 5pm, you may lose your camping site if we are not notified by phone by 7/20/05.

As an incentive to get all payments processed as soon as possible, you can deduct \$5.00 from your camping total if you pay the entire balance when you pre-register for camping.

Pets will be allowed on the fairgrounds, but please think before you bring your pets to the Rally. You must keep your pets leashed, under control, keep them quiet and pick up after them! We want to create a good impression on our non-pet friends! Failure to keep your pets under control could result in your being asked to leave the Rally.

If you do not complete the entire form, or if we have questions, we will not process your request. We will either call you or e-mail you for more complete information. We are trying to make this as smooth and trouble-free as possible - if your situation changes at any time, we will try to accommodate you.
